

## **IHT12-N4APO50-A2T**

Mind  $O \neq 0$ ,  $I \neq l \neq 1$ ,  $S \neq 5$ ,  $B \neq 8$ .

| Housing size                    | M12×1                         |
|---------------------------------|-------------------------------|
| Mounting                        | non-flush                     |
| Sensing distance S <sub>n</sub> | 4 mm                          |
| Operating voltage               | 1030 V <sub>DC</sub>          |
| Reverse polarity protection     | built-in                      |
| Current consumption             | <8 mA                         |
| Current load capability         | 120 mA                        |
| Output function                 | ✓_ normally open              |
| Output polarity                 | PNP                           |
| Short circuit protection        | built-in, self-resetting      |
| Voltage drop                    | <2V @ 120 mA                  |
| Switching frequency             | 800 Hz                        |
| Reduction factors               | Alu 0.45 · Brs 0.50 · VA 0.85 |
| Operating temperature           | −20+120 °C · −3+249 °F        |
| Protection class                | IP67                          |
| Sensing face material           | PTFE                          |
| Housing material                | SS 1.4301 (SAE 304)           |
| Switching indicator             | built-in*                     |
| Connection                      | PTFE                          |
| Clearance z                     | 14 mm                         |
| Clearance x                     | 14 mm                         |
| Complies with                   | C€, RoHS RoHS compliant       |

## Wiring diagram

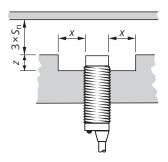

## Inductive Proximity Switch 3-Wire DC High Temperature Resistant Sensing range: Standard

Maximum temperature: 120 °C · 249 °F

 $\star$  Only for set-up. The LED may die if operated beyond 120 °C (249 °F). The LED is not covered by warranty.

## Clearance for parallel mounting

Caution! This device shall not be used if the safety of persons rely on its faultless function.

 $\label{thm:condition} \mbox{\sc XECRO reserves the right to make minor changes without prior notification.}$
